BIO CERTIFICATE

Distinction, responsibility and respect can, and must, go hand in hand. That's why the Unique collection is made using vegetable-origin raw materials such as hi-tech BIOresins, from renewable sources. This is certified by the prestigious BIO certification.

La distinción, la responsabilidad y el respeto pueden y deben ir de la mano. Es por eso que la colección Unique está hecha con materias primas de origen vegetal, como BIOresinas de alta tecnología, de fuentes renovables. Esto está certificado por la prestigiosa certificación BIO.
