WATERFRONT CHARM

Creating a comfortable yet chic kitchen is all about balance. In this design, the clean-lined hood, open shelves, and minimal Logan doors contribute to a contemporary, airy feel. The design is grounded by an earth-toned palette of blue, beige, and brown and organic elements such as the driftwood-inspired flooring and exposed wood beams.

LOGAN

After a day out on the lake, enjoy a home-cooked family meal made with home-grown ingredients in a serene, airy kitchen with a waterfront-inspired color palette of sandy Safari and beachy blue Gale.

BLUE TIDE RISING

Aquatic, appealing Gale offers a splash of color that complements both rich wood stains and soft neutral paints. And this island is more than just an accent piece: organized storage for knives, pots and pans, and dry goods make it a fully-equipped cooking station.

FARM FRESH, CLEAN AND CHIC

Inspired by the cozy and hardworking kitchens of American farm families, we chose classic Shaker-look Wells doors in warm French Roast for this kitchen. The bold finish complements rustic ceiling beams, and subtle shiplap on the dual islands and hood add texture and detail. To keep the room feeling clean and bright, we added crisp White Icing as well as mirror and glass door inserts to catch the light. Practical wrought iron hardware and light fixtures ground the design.

WELLS

With an open layout and two islands, there's plenty of room to mix up your signature pesto while the whole family constructs personal pizza pies.

FURNITURE FEEL WITH CUSTOM APPEAL

We love how the drawers on these custom, furniture-look islands match the width of the shiplap panels.

REFINED CONTRAST

A timeless black-and-white palette, grand alcove hood, and cabinets inspired by furniture pieces—this kitchen has all the ingredients of an elegant new classic.

BELFAST & AMORY

When you find the perfect handmade pottery piece, you have to show it off. Display everything from new finds to heirloom treasures to stylishly practical everyday dishes with elegant glass doors and shelves.

MODERN AMENITIES, HISTORIC ELEGANCE

To keep the focus on the vintage charm of inset cabinets, we set the refrigerator into an updated take on a Hoosier cabinet and tucked the lazy susan into a cabinet specifically made for Historic.

UNDERSTATED ELEGANCE

Classic white Divinity contrasts with deep Earl Grey throughout the space. We love how accents of silvery Boulder on the built-in bookshelves and wet bar add dimension and texture, while a custom mantelpiece in a matching finish ties the family room and kitchen together.

THIS KITCHEN: (Historic) **Burbank** in Divinity Pewter Highlight, and Earl Grey Classic; **Langdon** in Earl Grey Classic, and Boulder on quartersawn oak with canine Wilson, lounging in his favorite spot | A. LANGDON & BURBANK

CLASSIC STYLE.
TIMELESS INNOVATION.

Custom appliance panels conceal drawer refrigeration on the wet bar for a seamless, timeless look.

THE FARMHOUSE, REIMAGINED

Split Shaker-style doors, understated moldings, the island's rustic finish, and warm wood tones throughout evoke the feel of a comfortable country kitchen. We gave this style an on-trend twist with warm gray Macchiato paint in place of traditional white.

CONTINUOUS STYLE PRACTICAL FUNCTION

Reflect your unique personal style with our custom color-matching option. A fun family heirloom like Grandma's one-of-a-kind blue trunk can be the inspiration for an eye-catching statement piece.

MISSION-INSPIRED STYLE MEETS OPEN DESIGN

An expansive, Mission-inspired center island gives you the space to seamlessly host a crowd, and an extended table combines preparation and dining to make your everyday meals convenient. Accents of oiled bronze add character to the sun-soaked feel of our Cottage White and Cappuccino finishes.

MODERN MOUNTAINSIDE RETREAT

We love how this design combines clean lines and rugged textures. In this kitchen, we mixed heritage elements like shiplap and X-end columns with sleek contemporary features like cool gray Perfect Storm paint and the contemporary Blaine door. Unique backsplash tile with a handcrafted feel and plenty of natural light add to the organic feel.
